## F. Information

### 1. Grading systems of the institutions

The credits mentioned in Roma Tre transcripts are equal to ECTS. One credit represents 25 hours of study, with one full time academic year consisting of 60 ECTS credits. The grading system used at the University Roma Tre is the national grading system:

- Passing grades for each exam or learning activity can range from 18 to 30. The highest possible grade is 30 e lode (30L). For some exams and activities there is no grade, but only "pass" (IDONEO).
- Graduation grades can range from 66 to 110. The highest possible grade is 110/110 with honours. The final graduation mark depends on the average of exams grades and the academic value of the thesis and of its defense; the latter is evaluated by a commission of members of the Faculty.

More information can be found at the web-site: <http://www.cimea.it/default.aspx?IDC=135>.
