FEN-EDEBİYAT FAKÜLTESİ DEKANLIĞINA

The 3rd International Conference on Applied Mathematics in Engineering (ICAME'24) konferansı, 26-28 Haziran 2024 tarihleri arasında Balıkesir, VE Hotels (<https://vehotelayvalik.com/>) Ayvalık'ta yüz yüze ve çevrimiçi olarak Üniversitemizin öncülüğünde gerçekleştirilecektir. Konferansın amacı, matematik ve mühendislik bilimindeki güncel uygulamaları ve disiplinler arası konuları tartışmak için önde gelen araştırmacıları ve akademisyenleri bir araya getirmektir. Konferansta sunulan ve bilimsel komite tarafından seçilen yüksek kaliteli çalışmalar SCIE ve ESCI indeksli dergilerin özel sayılarında yayımlanmak üzere değerlendirmeye alınacaktır. Tüm üniversiteler ve araştırma merkezleri / enstitülerdeki değerli araştırmacıların yapacağı destek ve katkılar bu bağlamda büyük önem arz etmektedir.

İlgili konferansın tüm üniversitelerde ve araştırma merkezlerinde / enstitülerde duyurulması hususunda gereğini arz ederim.

June 26-28, 2024 - Balıkesir, Türkiye (Hybrid)

The 3rd International Conference on Applied Mathematics in Engineering

CALL FOR PAPERS

Following the two successful events, **ICAME'21** and **ICAME'18**, we are pleased to announce that **The 3rd International Conference on Applied Mathematics in Engineering (ICAME'24)** will be held between June 26-28, 2024 in a **hybrid format** where both physical and remote participation will be allowed. The aim of this conference is to bring together leading researchers and academics in the field of applied mathematics and engineers in order to debate current and interdisciplinary topics in control, fractional calculus, optimization and their applications in engineering science.

SUBMISSION

ICAME'24 welcomes all original submissions electronically via **Microsoft CMT** system. All authors need to submit their abstracts in **English** (min 250 words, no more than one page including references) within the deadline making sure that all author details are complete. The corresponding and the presenting authors must be clearly identified when doing so. All abstracts must be prepared according to the template available at [this link \(click here\)](#). Accepted abstracts will appear in a short book of abstracts with ISBN.

Note that the full-text papers will be submitted "after" the conference. Please [click here](#) to see the full text-opportunities.

MAIN TOPICS

Topics of interest include (but are not limited to):

- Applied mathematics
- Fractional calculus and its applications
- Optimization and control in engineering
- Mathematical modelling with engineering applications
- Nonlinear dynamical systems and chaos
- Operational research
- Artificial intelligence in engineering

IMPORTANT DATES

Submission System Opens: October 15, 2023

Abstract Submission Deadline: March 24, 2024

Notification of Acceptance: March 31, 2024

Early Bird Registration Deadline: April 7, 2024

Late Registration Deadline: May 12, 2024

CONFERENCE THEME

Following the two successful events, [ICAME'21](#) and [ICAME'18](#), we are pleased to announce that The 3rd International Conference on Applied Mathematics in Engineering (ICAME'24) will be held between June 26-28, 2024 in a hybrid format where both physical and remote participation will be allowed. The aim of this conference is to bring together leading researchers and academics in the field of applied mathematics and engineers in order to debate current and interdisciplinary topics in control, fractional calculus, optimization and their applications in engineering science. The special issues published after the previous conference can be accessed at [this link](#).

SUBMISSION GUIDELINES

ICAME'24 welcomes all original submissions electronically via [Microsoft CMT](#) system. All authors need to submit their abstracts in English (minimum 250 words, no more than one page including references) within the deadline making sure that all author details are complete. The presenting author must be the corresponding author and this must be clearly identified when doing so. All abstracts must be prepared according to the template available at [this link](#). Accepted abstracts will appear in a short book of abstracts with ISBN.

The authors who wish to submit a full-text will have the chance to submit their papers for the conference proceedings and journal special issues after the conference ([click here](#) for details).

MAIN TOPICS

Topics of interest include (but are not limited to):

- Applied mathematics
- Fractional calculus and its applications
- Optimization and control in engineering
- Mathematical modelling with engineering applications
- Nonlinear dynamical systems and chaos
- Operational research
- Artificial intelligence in engineering

PUBLICATIONS

The committee is in the process of making agreements with prestigious journals to publish a selection of high-quality papers focussed on a specific theme.
