

Dear Colleagues,

We are honored to announce and invite you to the **Cooperation for Climate and Green Deal Symposium**, which will be held at Atatürk Congress and Cultural Center, OMU in Samsun on 24-26 October 2022.

Participants from all disciplines related to climate change are invited to contribute to this unique event that will be held face-to-face on 24-26 October 2022. Our symposium aims to bring together the researchers, administrators, experts, teachers, graduate students and civil society organizations and representatives to share and discuss theoretical and practical knowledge in a scientific environment. The Symposium languages will be English and Turkish.

Registration and participation in the symposium are free of charge. Please register first and submit your abstract (paper). Our format for paper submissions is available on our website. The abstract (paper) will be added to the submission panel in your symposium account. If your abstract is accepted for submission, you can upload your full text for publication in the proceedings book, in one of the symposium journals, or in the annual book. The full paper template is available in the Call for paper menu. You can find the details about the symposium <http://coforclimate.omu.edu.tr>

ABSTRACT SUBMISSION PERIOD WILL END ON JUNE 15, 2022.

Participants will receive presentation certificates and their papers will appear in program, abstracts, and proceedings books. Participants will receive all symposium documents (Symposium Program Book, Symposium Abstract Book, Certificate of Participation, and Proceedings Book) digitally.

The accommodation is free for all participants in a double room per person during the night of December 24, 2022 (Check-in: December 24, 2022 before noon / Check-out: November 26, 2022 before noon). The full accommodation is provided for the free accommodation day. The participants will stay in a double room. Please let us know if you want to share your room with a friend or colleague who registers for the symposium as a participant or listener. Otherwise, the Symposium organizing committee will assign the rooms to participants based on their gender.
